MEMO TO THE SCORERS

Fellow Scorers hopefully in 2008 we will see a vast improvement in entering the details of your games on the web. We have one of the best statistical cricketing systems CRICKETSTAR.NET. We should be proud of it and should start using it to it's maximum potential. In addition Toronto and District Cricket Association is the largest league in Canada. To maintain our statistical integrity we need to capture all information from the games and try our best to accurately transfer the details of each game into the system. If this properly done, our reports will be more detailed and will provide more clarity for display all over the world.

LET US TRY TO IMPROVE OUR STATISTICAL REPORT THIS SUMMER. IF YOU ARE HAVING PROBLEM INPUTTING THE SCORES ONLINE. PLEASE GO TO THE HOME PAGE OF YOUR CRICKETSTAR. NET. UNDER THE HEADING (TIPS OR HELP) YOU WILL FIND ALL THE ANSWER YOU NEED BUT IF YOU NEED ANY ASSISTANCE PLEASE DO NOT HESITATE TO CONTACT ME AT. Res. 905-276-2897

Captain

- 1 Match-Sheets must remain in the position of the scorer at all times to enable proper batting position.**
- 2 Each team is responsible for entering it's game on the web.**
- 3 Please call in your game results from the ground so that the standing can be displayed in a timely manner for the media**
- 4 In the "how out" section, the fielder and the bowler columns should be indicated by the numbers that are associated with the opposition's batting position**
- 5 Please identify the Captain and the Wicket-Keeper on the match-sheet and when entering the details of the game on the web.**
- 6 When filling out the match-sheets it is imperative that the players' registration numbers are included. Before you leave for your game go to the computer and print out your members' list.**

Games cannot be approved if the players are not registered. This is a yearly problem.

The Board will be policing this issue vigorously in more ways than one

What I am about to state is not a threat but in accordance with the constitution.

If an unregistered player plays, he or she may may be suspended, fined \$300.00

or reverse the result of the game if points were awarded to the offending team

Any person playing under an assumed name may cause immediate suspension of his or her club or team. No later than three (3) days after the completion of each game any club failing to enter the statistical result of the game may be omitted from the record or a fine of \$50.00 and 2 points will to deducted from points accumulated.
